# JOAQUIM

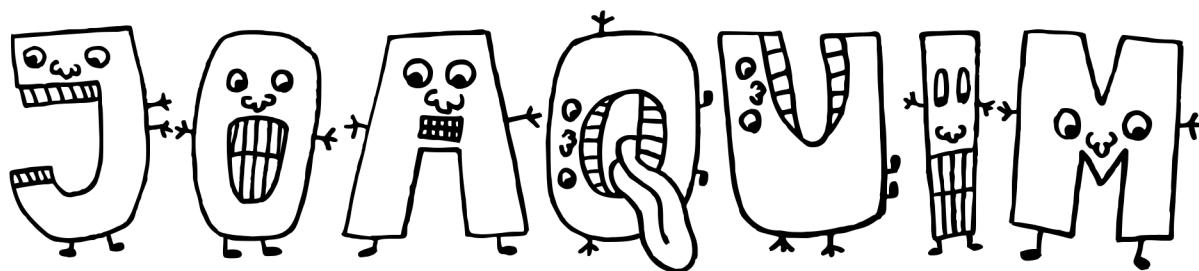

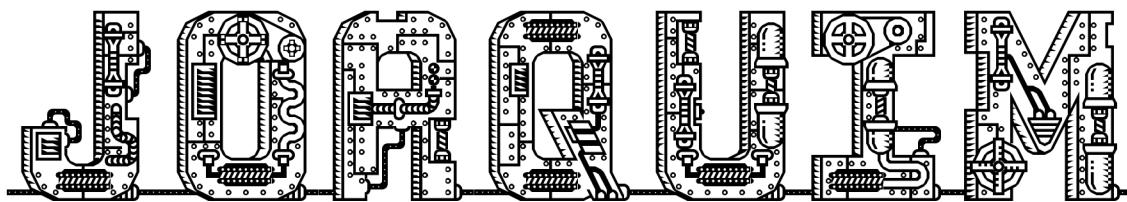

A horizontal representation of the name "JOAQUIM" using a halftone dot pattern. The letters are composed of a grid of dots of varying density, creating a grayscale effect where the dots are more concentrated in darker areas.A row of seven stylized lowercase letters: 'j', 'o', 'a', 'q', 'u', 'i', and 'm'. Each letter is composed of thick black outlines and internal geometric patterns like horizontal stripes or a circular motif.A perspective view of the name "JOAQUIM" where each letter has a three-dimensional effect, appearing to recede into space. The letters are outlined in black with internal shading.A horizontal representation of the name "JOAQUIM" using a pixelated or blocky font style. The letters are composed of thick black outlines and small white squares representing individual pixels.A row of seven stylized uppercase letters: 'J', 'O', 'A', 'Q', 'U', 'I', and 'M'. The letters feature thick black outlines and unique internal designs, such as a circle with a dot in the 'J' or a triangle in the 'O'.A large, bold, and simple representation of the name "JOAQUIM". The letters are rendered in a thick black outline with no internal shading or patterns.
