OZZY

A stylized letter 'O' that looks like a donut with holes, followed by the letters 'ZZY' which have a dotted pattern resembling a polka-dot texture.

The letters 'OZZY'. The first letter 'O' features a circular pattern of dots around its center hole, while the other letters have a dotted pattern along their top and right edges.

The letters 'OZZY' with a complex, detailed pattern. The 'O' is filled with a circuit board design, and the 'ZZY' part has various mechanical components like gears, bolts, and wires attached to its sides.
